

Welcome to

ALIVE
RESTAURANT & BANQUET

Food brings us to the table.

People make us stay.

Memories make us come back.

Since 2023, Alive has been a place where everyday meals become little moments worth remembering.

A family lunch.

A dinner with friends.

A celebration with loved ones.

A conversation that went on a little longer than planned.

We created Alive for all of it.

Our kitchen brings together comforting favourites and flavours from across Indian, Chinese, Continental and South Indian cuisines — prepared with care and served with warmth.

Because for us, a restaurant is not just about what is on the plate.

It is about who you share it with,

the stories you tell,

and the memories you take home.

#ALIVE

WHERE EVERY TABLE HAS A STORY

Good food. Warm moments. Beautiful memories.
